

# Confidence in Every Splash

ECOLAB®

Ecolab can help transform your pool operations with our new intelligent solution for simple pool management.

Ecolab® AqualQ™

**New customers get 2 months of  
the program FREE (months 1 & 12)  
when they sign a 3 year pool & spa agreement**

Use promo code **SPLASH** to activate the promo when submitting your p&s agreement

*Eligible bodies of water are under 50,000 gallons.*

Stop stressing about your pools.  
**Start elevating guest experiences  
with confidence and peace of mind.**

With the Ecolab AqualQ™ program, you get our integrated digital solutions that work together to detect problems and determine action while delivering real-time visibility to track pool performance – all backed by extensive expertise and support, remotely and on-site.

**Contact your Ecolab Representative  
or call 1 800 35 CLEAN**

*Scan to learn more  
about the program*

1. Must sign pool & spa agreement between March 1 until May 31, 2026 to qualify for 2 months free.
2. The Ecolab AqualQ™ Program includes Ecolab Pool and Spa chemistry, Ecolab Pool and Spa equipment, Ecolab Pool Manager app access, Ecolab Global Intelligence Center remote monitoring and control capabilities.  
Promotion is only applicable to new customers. Promotion cannot be used on top of delayed shipping or any other contract/shipment deviations. Monthly rate will be waived, delivery and startup fee still applies.
